LEAVES FROM MY INDIAN SKETCH BOOK.

CAPTAIN GREENHILL GARDYNE
(THE GORDON HIGHLANDERS).

GLASGOW:
PRINTED AND PUBLISHED BY CARTER AND PRATT,
62 BOTHWELL CIRCUS.

THE following sketches have been selected from a soldier's portfolio as being characteristic studies of the infinite variety of types to be met with among the native races of our Indian Empire. Familiar to the Indian official, soldier, and sportsman, it is hoped, that in spite of obvious shortcomings, they may be of interest to the public at home. The original drawings, here faithfully reproduced, were made under difficult conditions and amidst strange surroundings, during nine years' foreign service with the Gordon Highlanders.
